A Work Session meeting of the Board of Trustees of the Village of Arthur, IL, was held on Thursday, July 19, 2012, in the Village Board Room. Village President Matt Bernius called the meeting to order at 6:00pm. Roll call was answered by Trustees Karen Good, Larry Miller, JD Kuhns, and Dave Tiffan. Trustees Terry Clark and Iris Dicks were absent. Village employee Jeff Mercer was also present.

President Bernius stated Butch Jent's contract expires on August 23. He is not in good health and doesn't want to renew his contract.

He described two options to cover the sewer licenses. One is to advertise for a full-time waste water plant operator with the necessary licenses and move Brandon Potthast to part-time; the other is to try to find some part-time help for Brandon until he tests for the necessary license to run the plant in December.

President Bernius has talked to a potential candidate and showed Trustees that resume.

There was discussion about a plan for staffing the sewer plant and the potential for license coverage. There was consensus for President Bernius to advertise for candidates who have the necessary licenses to run the sewer plant.

**Adjourn**

President Bernius adjourned the meeting at 6:17pm.
