

November 19, 2012

A public hearing regarding the Electric Aggregation Program Plan of Operation and Governance was held in the Board Room on Monday, November 19, 2012. President Bernius started the hearing at 6:30pm.

Those present for the public hearing were President Bernius; Trustees Terry Clark, Iris Dicks, Larry Miller, and Dave Tiffan; Rob Fustin; and Village employee Sue Perrine.

Joe Bullivant of Integrys Energy Services explained the plan of operation and governance regarding the electric aggregation program. He explained how information will be available for residents regarding the program and how and when residents will be eligible for the program. Customer information will not be available, even through Freedom of Information Act requests. There will be a fixed price for a certain term. Residents will be able to have more than one account for multiple properties. The target date for letters to be mailed to residents is December or January, and it will show on residents' bills probably in March.
